

Penryn Campus

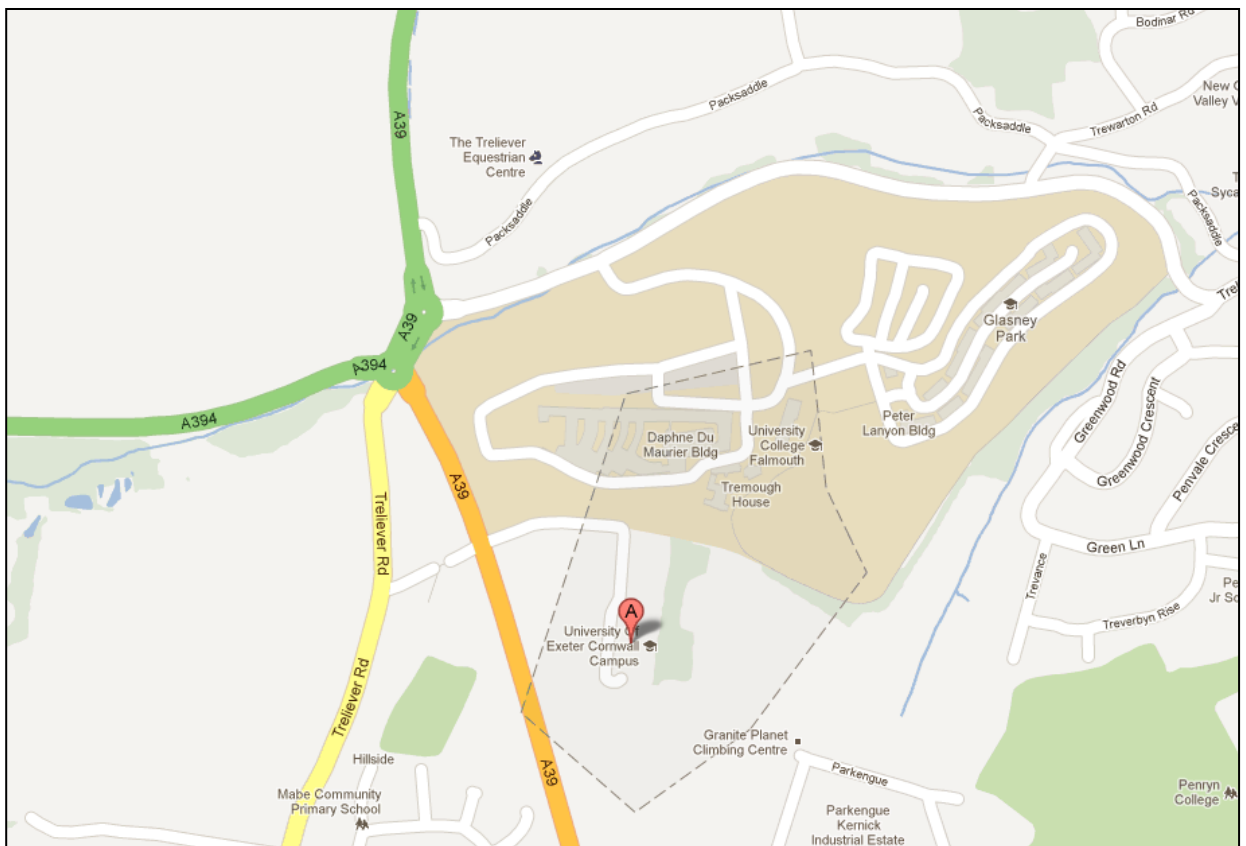

The Penryn Campus is home to both University College Falmouth and University of Exeter facilities and has grown with investment of more than £70 million in the last four years – much of it from the EU.

The European Centre for Environment & Human Health's laboratories are based at the Environment and Sustainability Institute on the Penryn Campus.

Developments at Tremough under the CUC initiative have been funded mainly by the European Union (Objective One) and the UK Government (through the South West Regional Development Agency and the Higher Education Funding Council for England) with support from Cornwall Council. Tremough Campus is operated by Tremough Campus Services, an exempt charitable company limited by guarantee, owned jointly by University College Falmouth and the University of Exeter and registered in England and Wales, number 5103240.
